

HAVOLINE THERMOMETER *Century of Progress International Exposition* CHICAGO 1933

WORLD'S TALLEST THERMOMETER (See other side)

Twenty-one stories (218 ft.) high. Shows temperature by neon-light tubes. Sponsored by Indian Refining Company, Lawrenceville, Ill., makers of WAXFREE HAVOLINE MOTOR OIL—best for all cars, winter or summer, because it contains no wax. Wax turns candle-hard with cold, water-thin with heat. *Keep wax out of your motor!* WAXFREE HAVOLINE MOTOR OIL IS SOLD AT ALL TEXACO STATIONS.
